Re: 2009 Fall Coed Softball
League Information

Enclosed you will find the schedule and league rules for the fall coed league. Please review the rules carefully before you begin the season. Fee due dates are included in the rules.

Each team plays one game per week. In the event of a rainout, we will do our best to get your games rescheduled; however, we cannot guarantee all games will be rescheduled due to field availability.

New this year: Teams are responsible for the umpire fees. Each team must pay \$15 per game to the official. This is not included in your league fee. Also, you are responsible for paying \$5.00 per player that is not a resident of the City of Waterville.

Also, the Parks and Recreation Department is trying to go as paperless as possible. Therefore, each team is required to provide us with an active email address. This is how future notifications will occur. Please email me at bpelletier@waterville-me.gov with your email address.

Each team will receive 2 balls for each home game. Softballs will be available in the office at Wentworth Court the week prior to the start of the season.

If you have any questions or concerns, please call the office at 680-4744. Let's hope for a sunny fall!
